Wednesday 30th November

Dear Parents and Carers,

As part of our school P.S.H.E. curriculum, the children in year 6 will be receiving their Puberty talk from the School Health Advisor. This will take place on Tuesday 13th December. This is a very important part of your child's education, which will give them the opportunity to ask a health professional any questions they may have concerning how their bodies will change.

In previous years we have found that feedback from parents and pupils, has been very positive. The children have greatly appreciated the shared experience of learning the facts from a health professional, and their learning has been enhanced by listening to each other's questions. As this can be a sensitive time for the children we will be having a talk with the girls and boys separately. If you have any questions we are always happy to talk after school.

Yours sincerely,

Mrs Dangerfield, Mr McDonald and Mr White
