### Message from Mrs Mitcheson:

I am delighted that our attendance is slowly starting to improve as children really do need to be in school. Yesterday, a visitor asked the children in assembly if they enjoyed school and the majority of our children shouted 'Yes' and spoke positively about their school experience. The visitor mentioned that this was brilliant as he doesn't usually receive such a positive response. Please bring your child/ren to school if they are well.

A reminder that there is a proposed second industrial strike action day for NEU members planned for 28<sup>th</sup> February. I will inform you before half term how this will affect our school so that you have time to plan, if need be.

### Children's Mental Health Week

Children's Mental Health Week 2023 will take place next week. This year's theme is Let's Connect.

Next week, there will be lots of activities in school to support children's mental health. On Friday, it would be lovely if the children can all wear a scarf to school to conclude the week.

Please click on the link if you would like advice/information regarding children's mental health.
