

THE DRAGON TRAINERS' WEEKLY TIMETABLE

All timings and activities are only suggestions. We understand that everyone will have different commitments etc and may also have to be working from home. Once we have SEESAW set up, why not upload any work you do or videos of yourself hard at work?

Times	Monday	Tuesday	Wednesday	Thursday	Friday
9:00am	Join in with Joe Wicks daily active session on YouTube. Can you get a shout out for the class off Joe?				
9:30am - 10:00am Mental Maths	<p>Use you Times Tables Rockstar login to practise your tables and addition and subtraction mental calculations. https://play.ttrockstars.com/auth/school/student https://play.numbots.com/#/account/school-login-type https://app.sirlinkalot.org/ use the login: free and the password: free and we suggest starting around level 2</p>				
10.00am - 11:00am	<p>Head on over to https://drchips.weebly.com/ for 10:00am for a daily dose of Science, Engineering & Computing activities to try at home. Make sure you check ahead so that you can get in any resources you might need to take part. Should you not have the resources to take part, just watch the links. Don't go out to the shops unnecessarily. You can always get things and repeat the experiment when you've been for a shop.</p>				
	<p>Maker Mondays <i>What better way to start the week than with an Engineering Challenge... Turn on, tune in, make stuff.</i></p> <p>Even Dr Chips needs to take a little break at Easter, but he will be putting more videos up online over the week so please take a look at his website https://drchips.weebly.com/</p>	<p>Computational Thinking Tuesdays <i>In association with Barefoot Computing @BarefootComp (Sign up at www.barefootcomputing.org/)</i></p>	<p>Wonder Wednesdays <i>In association with the 'Great Science Share for Schools' @GreatSciShare #ScienceFromHome (Register to take part at www.greatscienceshare.org/)</i></p>	<p>Tinker like it's Thursday <i>Create stuff and learn through exploration</i></p>	<p>Find out Fridays <i>'I have no special talent. I am only passionately curious.' Albert Einstein</i></p>
11:00am Maths	<p>White Rose Maths resources, which are linked to below, are used by teachers in school and are designed to help your child develop a mastery approach to lessons. These lessons are for Week 2; however if you haven't done the lessons for week one, begin with those and just work a week behind. You know what though, sometimes you might just not be feeling up to it and want to complete more fun and practical lessons. Try looking at https://www.mathsfirst.org/blog/categories/homeschool-no-worksheets-no-tech for some practical mathematics ideas.</p>				
	<p>Wk4 - Lesson 1 Easter Week Day 1 https://whiterosemaths.com/home/learning/easter-fun/</p> <p>Bake it Play it</p>	<p>Wk4 - Lesson 2 Easter Week Day 2 https://whiterosemaths.com/home/learning/easter-fun/</p> <p>Estimate it Make it</p>	<p>Wk4 - Lesson 3 Easter Week Day 3 https://whiterosemaths.com/home/learning/easter-fun/</p> <p>Estimate it Move it</p>	<p>Wk4 - Lesson 4 Easter Week Day 4 https://whiterosemaths.com/home/learning/easter-fun/</p> <p>Make it Bake it</p>	<p>Wk4 - Lesson 5 Easter Week Day 5 https://whiterosemaths.com/home/learning/easter-fun/</p> <p>Estimate it Play it</p>

12:30pm-1:30pm Lunch	<p style="text-align: center;">Get your child involved! Sing a song whilst washing your hands, first! Why not choose a song to wash your hands to? - I won't tell you my favourite! https://www.youtube.com/watch?v=S9VjeIWLnEg#action=share https://youtu.be/dDHJW4r3eIE https://youtu.be/zxIQn7KaCNU https://youtu.be/DJD9zPv2NmM</p> <p style="text-align: center;">Keep an eye out for updates from the school or from your teacher about how you can share your daily learning with each other and how we can keep in touch with one another during the school closure. This might be a good opportunity to do so in the future!</p>				
1:30pm - 2:30pm	<p style="text-align: center;">FREE PLAY TIME</p> <p>Do what makes you happy and puts a smile on your face! You may want to use this time to get your daily outdoor exercise. Take a walk, go for a cycle or go for a run. Just remember the social distancing rules and follow the latest advice. Should the children wish to, they could have a look at our website https://3451.eschools.co.uk/web/home_learning/464487 for some links to some fun resources and activities which the children may want to do. I promise they're not all maths and English!!</p>				
2:30pm - 3:30 Afternoon Learning.	<p>ART Why not visit this website https://www.tate.org.uk/kids/make and choose one of the great and exciting projects they suggest and have a go at them yourselves.</p> <p>You could take a picture of any finished work and upload them to Seesaw for your teacher to see.</p>	<p>READING We want you to read as much as you can so please feel free to read throughout the day but as an activity try Day 17 on this webpage. https://classroommagazines.scholastic.com/support/learnathome/grades-3-5-week-4.html</p> <p>Read the three articles and watch the accompanying videos. At the bottom of each article is a 'continue the learning journey'</p>	<p>ICT For a challenge this week visit https://makecode.microbit.org/</p> <p>Choose a tutorial and see if you can code the microbit. Your teacher can bring a microbit in to show you how these work once we get back to school.</p> <p>You might also really enjoy this Flappy Bird coding challenge too: https://studio.code.org/flappy/</p>	<p>WRITING As you may know, lots of old people are currently in self isolation and don't see or hear from many people. This can be very hard and I bet a letter would really cheer them up!</p> <p>Why not write a letter using the text feature on seesaw and every letter we get sent, we will send as an email to a care home near to our school. You might make someone really happy!</p>	<p>FOOD TECHNOLOGY https://www.stem.org.uk/resources/collection/462629/10-food-based-sessions</p> <p>Have a look on this website for ten activity ideas which involve preparing healthy foods for different meals within the day. Each activity explores healthy eating and the importance of a healthy balanced diet and each activity includes teachers' notes, a letter to parents and information on safe food</p>

		section. Why not try one the activities? Please look at the other days should you need to as well.	<u>1</u>	No full names or addresses on the letters though please.	preparation. Please share any pictures on Seesaw.
Reading	<p>At school we would normally change your book as and when your child needs to but as this isn't possible please look at this website for ebooks just like we use in school. https://home.oxfordowl.co.uk/books/free-ebooks/ Choose your age group, then choose your level and look at the book band section to find the colour of your book band. If there aren't many books to choose from try choosing an older or younger age group then find your book band again.</p> <p>Finally, I know there are some fantastic readers in the class who will be reading at home. Please share any books you are reading and I would love to get sent a book review from you just like you did for Stig of the Dump.</p>
