

THE MIDNIGHT GANG & THE DRAGON TRAINERS WEEKLY TIMETABLE

All timings and activities are only suggestions. We understand that everyone will have different commitments etc and may also have to be working from home. Do what you can, when you can and only if you want to. This isn't homework but you might like some of the activities.

Times	Monday	Tuesday	Wednesday	Thursday	Friday
9:00am	Join in with Joe Wicks daily active session on YouTube. Can you get a shout out for the class off Joe?				
9:30am - 10:00am Mental Maths	<p>Use you Times Tables Rockstar login to practise your tables and addition and subtraction mental calculations. https://play.ttrockstars.com/auth/school/student https://play.numbots.com/#/account/school-login-type https://app.sirlinkalot.org/ use the login: free and the password: free and we suggest starting around level 2</p>				
10.00am - 11:00am	<p>Head on over to https://drchips.weebly.com/ for 10:00am for a daily dose of Science, Engineering & Computing activities to try at home. Make sure you check ahead so that you can get in any resources you might need to take part. Should you not have the resources to take part, just watch the links. Don't go out to the shops unnecessarily. You can always get things and repeat the experiment when you've been for a shop.</p>				
	<p>Maker Mondays <i>What better way to start the week than with an Engineering Challenge... Turn on, tune in, make stuff.</i> https://www.stem.org.uk/resources/eli/brary/resource/25416/do-try-home#&gid=undefined&pid=11 <i>Making a Moving Foil Boat.</i> <i>Question: How can you move this foil boat across the water?</i></p>	<p>Computational Thinking Tuesdays <i>In association with Barefoot Computing @BarefootComp (Sign up at www.barefootcomputing.org/)</i> <i>This week's link: https://youtu.be/679-IDeN13U</i> Title: LOGIC PUZZLES TO GET YOU THINKING Description: Logical reasoning is about analysing and predicting. It's about being systematic and 'thinking things through' rather than 'just guessing'. In this Daily Dose we're going to look at the Computational Thinking skill of logical reasoning by tackling some famous logic puzzles and games. Get ready to get thinking! Resources required: Pen, paper, your logical mind</p>	<p>Wonder Wednesdays <i>In association with the 'Great Science Share for Schools' @GreatSciShare #ScienceFromHome (Register to take part at www.greatscienceshare.org/)</i> <i>This week's link: https://youtu.be/7n0AQh6qWsl</i> Title: BUBBLE TROUBLE Description: Discover whether air weights anything! Find out how to make your own bubble mixture and ask your own questions about bubbles and bubble mixtures. Thanks to @GreatSciShare and @SpringLearns for developing this resource. Resources required: Washing up liquid, water, sugar solution (e.g. honey or glycerine), home made bubble wand (can be made from plastic-coated paperclips, pipe cleaners, plastic straws or even cardboard) Optional extras: 2 balloons, long</p>	<p>Tinker like it's Thursday <i>Create stuff and learn through exploration</i> <i>This week's link: https://youtu.be/kamLUepV6sw</i> Title: BUILD YOUR OWN JET POWERED BOAT! Description: Got some Alka seltzer tablets or baking soda and vinegar left over from the lava lamps!? Great, because in this Daily Dose we're going to use it to make a jet powered boat. We'll recap some important language around forces and then use Newton's 3rd Law (I'll explain) to create a jet boat that can zoom across water. Resources required: Smallish Plastic bottle WITH THE LID, scissors, small blob of blue tack or plasticine THEN EITHER baking soda and vinegar OR an Alka seltzer tablet</p>	<p>Find out Fridays <i>'I have no special talent. I am only passionately curious.' Albert Einstein</i> https://www.stem.org.uk/resources/eli/brary/resource/25416/do-try-home#&gid=undefined&pid=13 <i>The Light Collection.</i> <i>Question: Can you pour light?</i></p>

All timings and activities are only suggestions. We understand that everyone will have different commitments etc and may also have to be working from home. Do what you can, when you can and only if you want to. This isn't homework but you might like some of the activities.

			straight stick, string, shampoo, bubble bath, cooking oil, sugar, food colouring (if using food colouring go outdoors!)		
11:00am Maths	White Rose Maths resources, which are linked to below, are used by teachers in school and are designed to help your child develop a mastery approach to lessons. You know what though, sometimes you might just not be feeling up to it and want to complete more fun and practical lessons. Try looking at https://www.mathsfirst.org/blog/categories/homeschool-no-worksheets-no-tech for some practical mathematics ideas.				
	Summer Term Week 1 (w/c 20 th April) Lesson 1 Make a Whole https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record your work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future. Please do look here https://www.mathsfirst.org/blog/categories/homeschool-no-worksheets-no-tech for some great hands on maths lessons though for a change. All lessons created by someone with links to Broadwood Primary School.	Summer Term Week 1 (w/c 20 th April) Lesson 2 Write decimals https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record your work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future. Please do look here https://www.mathsfirst.org/blog/categories/homeschool-no-worksheets-no-tech for some great hands on maths lessons though for a change. All lessons created by someone with links to Broadwood Primary School.	Summer Term Week 1 (w/c 20 th April) Lesson 3 Compare Decimals https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record your work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future. Please do look here https://www.mathsfirst.org/blog/categories/homeschool-no-worksheets-no-tech for some great hands on maths lessons though for a change. All lessons created by someone with links to Broadwood Primary School.	Summer Term Week 1 (w/c 20 th April) Lesson 4 Order Decimals https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record your work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future. Please do look here https://www.mathsfirst.org/blog/categories/homeschool-no-worksheets-no-tech for some great hands on maths lessons though for a change. All lessons created by someone with links to Broadwood Primary School.	Summer Term Week 1 (w/c 20 th April) Lesson 5 Maths Challenge. https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record your work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future. Please do look here https://www.mathsfirst.org/blog/categories/homeschool-no-worksheets-no-tech for some great hands on maths lessons though for a change. All lessons created by someone with links to Broadwood Primary School.
12:30pm-1:30pm Lunch	Get your child involved! Sing a song whilst washing your hands, first! Why not choose a song to wash your hands to? - I won't tell you my favourite! https://www.youtube.com/watch?v=S9VjeIWLnEg#action=share https://youtu.be/dDHJW4r3eIE https://youtu.be/zxIQn7KaCNU https://youtu.be/DJD9zPv2NmM Keep an eye out for updates from the school or from your teacher about how you can share your daily learning with each other and how we can keep in touch with one another during the school closure. This might be a good opportunity to do so in the future!				
1:30pm - 2:30pm	FREE PLAY TIME Do what makes you happy and puts a smile on your face! You may want to use this time to get your daily outdoor exercise. Take a walk, go for a cycle or go for a run. Just remember the social distancing rules and follow the latest advice. Should the children wish to, they could have a look at our website				

THE MIDNIGHT GANG & THE DRAGON TRAINERS WEEKLY TIMETABLE

All timings and activities are only suggestions. We understand that everyone will have different commitments etc and may also have to be working from home. Do what you can, when you can and only if you want to. This isn't homework but you might like some of the activities.

	https://3451.eschools.co.uk/web/home_learning/464487 for some links to some fun resources and activities which the children may want to do. I promise they're not all maths and English!!				
2:30pm - 3:30 Afternoon Learning.	<p>PE</p> <p>Skipping is a great way to exercise and keep fit and it only takes a small bit of space. There's lots of things you can use instead of a skipping rope if you don't have one and you can even just pretend because it'll still help you get fit!</p> <p>https://www.youtube.com/watch?v=OKu5s-2RyiQ https://www.youtube.com/watch?v=bSz4vQB_IQY https://www.youtube.com/watch?v=WWbGzgTShdQ https://www.youtube.com/watch?v=tDRgBsbu6Lc</p>	<p>READING</p> <p>We want you to read as much as you can so please feel free to read throughout the day but as an activity try Day 20 on this webpage. https://classroommagazines.scholastic.com/support/learnathome/grades-3-5-week-4.html</p> <p>Read the three articles and watch the accompanying videos. At the bottom of each article is a 'continue the learning journey' section. Why not try one the activities? Please look at the other days should you need to as well.</p>	<p>ICT</p> <p>Why not try this game all about patterns, logic and debugging through sports activities. https://barefootgames.org/colorful-kits?ref=https://www.barefootcomputing.org/</p> <p>You might also really enjoy this Dance coding challenge too: https://studio.code.org/s/dance-2019/stage/1/puzzle/1</p>	<p>WRITING</p> <p>Can you draw or use seesaw to create a comic strip of your choice. Draw the pictures and add the speech bubbles.</p> <p>If anyone has the book creator app you could use this.</p> <p>I'll send you one that I make using Seesaw to give you an example</p>	<p>MUSIC</p> <p>Why not have a go at making your own instruments at home? https://www.learningliftoff.com/make-homemade-music-with-these-6-diy-instruments/</p> <p>Can you play any songs on these? Can you put a band together with your family?</p>
Reading	<p>At school we would normally change your book as and when your child needs to but as this isn't possible please look at this website for ebooks just like we use in school. https://home.oxfordowl.co.uk/books/free-ebooks/</p> <p>Choose your age group, then choose your level and look at the book band section to find the colour of your book band. If there aren't many books to choose from try choosing an older or younger age group then find your book band again.</p> <p>Finally, I know there are some fantastic readers in the class who will be reading at home. Please share any books you are reading and I would love to get sent a book review from you just like you did for Stig of the Dump.</p>
