Message from Mrs Mitcheson:

Attendance. We always monitor attendance closely and have now been advised to refer some of our families to the Local Authority, which may result in Legal Proceedings. Children have a right to education and it is unfortunate that some children are missing too much of their education. Please support your child by ensuring they are in school when they are feeling well.

I would appreciate your support on this matter!

The King's Coronation

The Coronation for King Charles III will take place on Saturday 6th May 2023. We will be celebrating the Coronation in school on Friday 5th May. We are currently finalising timings and activities and we will be inviting parents to join us at some point throughout the day. Please take note of this date as we would love to celebrate the Coronation with as many families as we can.

We will provide you with further information before we break up for the Easter holidays.
