09<sup>th</sup> September 2016

Dear Parents and Carers,

## Code Club

This year I will be running “**Code Club**” after school on a Thursday between 3.15 and 4.15. The children will be developing their computer programming skills in a variety of fun and exciting ways. We will be using *Scratch*, *Python* and *HMTL* in our programming over the year. Computing now plays a big part in the Primary curriculum, so this club will also help children with their learning in school.

This club is limited to 10 members and children **MUST** have a genuine interest in computer programming and be committed to coming to the club each week. It will be starting on the 15<sup>th</sup> of September.

If you would like your child to attend Code Club, please complete the attached form and return it to your child's teacher.

Yours sincerely

Melanie Horan  
Year 3/4 class teacher

I would like my child \_\_\_\_\_ (name) to attend Code Club on Thursdays. I will collect him/her at 4:15pm from the KS2 yard.
