Reading	<p>At school we would normally change your book as and when your child needs to but as this isn't possible please look at this website for ebooks just like we use in school.</p> <p>https://home.oxfordowl.co.uk/books/free-ebooks/</p> <p>Choose your age group, then choose your level and look at the book band section to find the colour of your book band. If there aren't many books to choose from try choosing an older or younger age group then find your book band again. Finally, I know there are some fantastic readers in the class who will be reading at home. Please share any books you are reading and I would love to get sent a book review from you just like you did for Stig of the Dump.</p>
