

# Reception Newsletter

We hope you had a restful half term break full of relaxing days and exciting adventures. We can't wait for more learning to be done in the Spring 2 half term.

Miss Hymers and Miss Hind

## The Learning Journey continues...

The children had such an incredible Spring 1 full of snow, ice and some Chinese dancing. We are going to continue to our PE sessions, starting with gymnastics. Can we please ask that you bring in a PE kit for your child every **Monday**. This includes a pair of black PE shorts and a blue polo shirt. In order to support your child can we please ask that you start giving your children opportunities to dress themselves at home.

## What the children will be learning...

The children will be sharing lots of traditional tales this half term and exploring different ways in which we can retell the story. We will continue to explore the composition of numbers to 10 using a range of different maths resources. We have become super stars at identifying some 2D shapes so Mrs Fleming is going to challenge us to some 3D shapes this next half term. In phonics we will begin to read some longer words with 2 digraphs and consolidate our knowledge on our tricky words! At the end of the half term we will touch on the Easter story ahead of the Easter half term break.

## How can you help your child?

Please continue to share stories with your child, including the library book which can be chosen on a Thursday morning as well as your child's guided reading book which gets sent home on a Friday. Please leave a comment in your child's reading record so that we are able to see how you are finding their reading at home. Please continue to challenge your child with some tricky words. These are words which your child will come across more frequently in their reading and writing but are unable to segment and blend. Miss Hymers will be providing a list for you to take home as well as being available on Seesaw. Please can we ask that you access activities which are being set each weekend on Seesaw. If for whatever reason you are unable to get onto Seesaw, please speak to Miss Hymers.

## Useful Information

In the cloakroom there is a parent information board with lots of information about reading, safeguarding and other info. We will update it on events that are happening or things you need to know about.

If you have any worries or concerns, please speak to myself or Miss Hind.
