School Closure

Throughout the school closure you will always be able to get in touch with us. The school number is 2741684 or you can email:

Office@broadwoodprimary.co.uk

We will also give you a ring each week just to say hello.

[Please tweet anything you have been doing. It would be great to see what you and the children have been doing while we're not at school.](#)

Free Resources

There are quite a few free resources available out there and you will see lots on our home learning page on the school website.

Some examples are:

<http://www.phonicsplay.co.uk>. Great website to practise blending and segmenting sounds through the use of interactive games.

[Www.twinkl.co.uk/offer](http://www.twinkl.co.uk/offer) has lots of resources and games, for all subjects. Use the code :

CVDTWINKLHELPS.

Next week

At the beginning of each week we will send out a timetable of suggested activities for learning at home. We have tried to make it very much like a nursery or a reception day that the children will be very familiar with and which we hope will support you in learning with your children at home. For reception children the timetable will include some phonics, some literacy and maths activities. This home learning is optional and will need minimal resources. There is no need to send it back to us to be marked but we would like to know how you are getting on. Please feel free to ask any questions about the home learning timetable.

For fun!

The Muddy Puddle Teacher website has lots of ideas and activities to try and has made resources free during school closures:

...and some more fun!

Go Noodle has a lot of high energy songs and dances to join in with

<https://www.gonoodle.com/>

<https://www.cosmickids.com/> offers something similar to Go Noodle, but a lot calmer!

...and even more fun!

Jumpstart Jonny is a great dance and exercise site. Find your favourite song to dance too! The children absolutely love this website.
