

THE MIDNIGHT GANG & THE DRAGON TRAINERS' WEEKLY TIMETABLE

All timings and activities are only suggestions. We understand that everyone will have different commitments etc and may also have to be working from home. Once we have SEESAW set up, why not upload any work you do or videos of yourself hard at work?

Times	Monday	Tuesday	Wednesday	Thursday	Friday
9:00am	Join in with Joe Wicks daily active session on YouTube. Can you get a shout out for the class off Joe?				
9:30am - 10:00am Mental Maths	<p>Use you Times Tables Rockstar login to practise your tables and addition and subtraction mental calculations. https://play.ttrockstars.com/auth/school/student https://play.numbots.com/#/account/school-login-type https://app.sirlinkalot.org/ use the login: free and the password: free and we suggest starting around level 2</p>				
10.00am - 11:00am	<p>Head on over to https://drchips.weebly.com/ for 10:00am for a daily dose of Science, Engineering & Computing activities to try at home. Make sure you check ahead so that you can get in any resources you might need to take part. Should you not have the resources to take part, just watch the links. Don't go out to the shops unnecessarily. You can always get things and repeat the experiment when you've been for a shop.</p>				
	<p>English</p> <p>https://www.bbc.co.uk/bitesize/articles/zkfvgwx</p> <p>To understand how to use brackets to add extra information to your writing.</p>	<p>Computational Thinking Tuesdays</p> <p><i>In association with Barefoot Computing @BarefootComp</i> (Sign up at www.barefootcomputing.org/) This week's link: https://youtu.be/6vvK_5yblN0</p> <p>Title: CODE YOUR OWN COMPUTER GAME! Description: Love playing computer games!? Well there's only one thing better than playing a computer game... playing a computer game you've actually created! Yup, in the final Computational Thinking Tuesday we're going to use all of the problem solving skills we've learned to design and program our own computer game in Scratch! They'll be a hero, villains and treasure to capture!</p> <p>Resources required: Pen, Paper, computer with Internet connection</p>	<p>Wonder Wednesdays</p> <p><i>In association with the 'Great Science Share for Schools'</i> @GreatSciShare #ScienceFromHome (Register to take part at www.greatscienceshare.org/) This week's link: https://youtu.be/np8iE-txGog</p> <p>Title: BUILD YOUR OWN SECRET TELEPHONE Description: Ever wanted to be able to speak to your brother, sister or friends in secret!? Well now you can as in this week's Wonder Wednesday we'll make a secret telephone line! And, as it's World Ocean Week, we going to make it with plastic cups so they don't end up in the sea!</p> <p>Thanks to @GreatSciShare and @SpringLearns for developing this resource.</p> <p>Resources required: Two plastic cups, string (a few metres), scissors</p>	<p>Tinker like it's Thursday</p> <p><i>Create stuff and learn through exploration</i> Title: OUT WITH A BANG! Description: For the last Tinker Like It's Thursday I thought we'd go out with a bang and tinker with an explosion! You'll want to do this one in either a sink, bath or outdoors... or you'll get messy (and smelly)! We'll explore a chemical reaction which is familiar to us as we used it for our jet boats, but this time we'll stop the gas from escaping anywhere until things finally go boom! Who'll create the loudest explosion?!</p> <p>Resources required: Baking soda, vinegar and a sandwich bag with a really good seal (the ones with the 'zip locks' work best!), few sheets of toilet paper</p>	<p>English</p> <p>https://www.bbc.co.uk/bitesize/articles/zr8kwty</p> <p>To be able to use the suffixes -ous and -sion.</p>

THE MIDNIGHT GANG & THE DRAGON TRAINERS' WEEKLY TIMETABLE

All timings and activities are only suggestions. We understand that everyone will have different commitments etc and may also have to be working from home. Once we have SEESAW set up, why not upload any work you do or videos of yourself hard at work?

11:00am Maths	White Rose Maths resources, which are linked to below, are used by teachers in school and are designed to help your child develop a mastery approach to lessons. Try looking at https://www.mathsfirst.org/blog/categories/homeschool-no-worksheets-no-tech for some practical mathematics ideas.				
	Summer Term Week 7 (w/c 8th June) Lesson 1 - Tenths as Decimals https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record you work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future.	Summer Term Week 7 (w/c 8th June) Lesson 2 - Divide 2-digits by 10 https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record you work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future.	Summer Term Week 7 (w/c 8th June) Lesson 3 - Hundredths as Decimals https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record you work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future.	Summer Term Week 7 (w/c 8th June) Lesson 4 - Divide 1 or 2-digits by 100 https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record you work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future.	Summer Term Week 7 (w/c 8th June) Lesson 5 - Add two or more fractions https://whiterosemaths.com/homelearning/year-4/ Watch the video then try the activity. Record you work neatly on paper o in your home learning book and watch out for how you can upload this via Seesaw in the future.
12:30pm- 1:30pm Lunch	Get your child involved! Sing a song whilst washing your hands, first! Why not choose a song to wash your hands to? - I won't tell you my favourite! https://www.youtube.com/watch?v=S9VjeIWLnEg#action=share https://youtu.be/dDHJW4r3eIE https://youtu.be/zxIQn7KaCNU https://youtu.be/DJD9zPv2NmM Keep an eye out for updates from the school or from your teacher about how you can share your daily learning with each other and how we can keep in touch with one another during the school closure. This might be a good opportunity to do so in the future!				
1:30pm - 2:30pm	FREE PLAY TIME Do what makes you happy and puts a smile on your face! You may want to use this time to get your daily outdoor exercise. Take a walk, go for a cycle or go for a run. Just remember the social distancing rules and follow the latest advice. Should the children wish to, they could have a look at our website https://3451.eschools.co.uk/web/home_learning/464487 for some links to some fun resources and activities which the children may want to do. I promise they're not all maths and English!!				

THE MIDNIGHT GANG & THE DRAGON TRAINERS' WEEKLY TIMETABLE

All timings and activities are only suggestions. We understand that everyone will have different commitments etc and may also have to be working from home. Once we have SEESAW set up, why not upload any work you do or videos of yourself hard at work?

2:30pm - 3:30 Afternoon Learning.	<p>PE</p> <p>Why not have a simple PE lesson around the home to develop the skills covered on the National Curriculum.</p> <p>This activity will help develop your child's coordination, balance and strength, which is an important part of their development.</p> <p>Lesson 7: https://www.youtube.com/watch?v=cUy-nGjLWQM&list=PLYGRaluWWTojV3An2WEgsQ4qGFy_91jDL&index=8</p>	<p>READING</p> <p>https://www.bbc.co.uk/bitesize/articles/zf7qmfr</p> <p>To understand what inference means and use it to answer questions about a story.</p>	<p>ICT</p> <p>For a challenge this week visit https://hourofcode.com/scratchcartoon</p> <p>Try and use your knowledge of scratch and the tutorial to help you to code a Cartoon Network cartoon,</p>	<p>SCIENCE</p> <p>https://www.bbc.co.uk/bitesize/articles/zhnny9q</p> <p>Learn about food chains.</p>	<p>GEOGRAPHY</p> <p>https://www.bbc.co.uk/bitesize/articles/zbwckmn</p> <p>Learn about the weather and climate in the UK and around the world including an introduction to climate zones and climate change.</p>
Reading	<p>At school we would normally change your book as and when your child needs to but as this isn't possible please look at this website for ebooks just like we use in school. https://home.oxfordowl.co.uk/books/free-ebooks/</p> <p>Choose your age group, then choose your level and look at the book band section to find the colour of your book band. If there aren't many books to choose from try choosing an older or younger age group then find your book band again.</p> <p>Finally, I know there are some fantastic readers in the class who will be reading at home. Please share any books you are reading and I would love to get sent a book review from you just like you did for Stig of the Dump.</p>
