Message from Mrs Mitcheson:

I am delighted that there has been a significant improvement in attendance this week. I have managed to speak to a few children regarding their feelings about school and the feedback I got from them all was extremely positive – the children really are happy at school, although one or two mentioned they do not like waking up early in the morning – I totally understand what they mean!

Head Boy and Head Girl

I would like to thank all of the children who applied for Head Boy and Head Girl this year. I am pleased that many children were very keen to step up and do the role. This shows our children are developing in confidence, determination and leadership. Congratulations to Liyana and Ryan in Year 6 who have been appointed in this role. I know that many children will be disappointed; however, there will be lots of opportunities this year for Year 6 children to step up as leaders in different capacities and represent their school. It is going to be a great year for all!!
