Weekly average (5-11)	91.4%

Every child deserves the very best – give them their right to an education!

Below 90% has a drastic effect on academic achievement

91%-95% is a cause for concern

96%-100% is Spot on!

A huge 'Well done' to **Year 4** this week with an impressive **98%** attendance.

Stars of the Week:

Nursery	Joey
Reception	Sienna
Year 1	Hashim
Year 2	Mina
Year 3	Lacey
Year 4	Cole
Year 5	Abbie
Year 6	Charlie P
Hi Arp	Jiri

Message from Mrs Mitcheson:

It saddens me to see the dangerous driving and parking that occurs on Broadwood Road during pick ups and drop offs.

I see the scared faces of children and the worried faces of grown ups as they try to dodge several moving cars or inappropriately parked cars.

Visitors and residents always comment on the dangers too!

Please drive and park safely - we are a school and our children deserve better!

14 th February 2024	Valentine's Disco
15 th February 2024	Year 6 Discovery Museum STEM
19 th February 2024	Half Term

Safer Internet Day

Safer Internet Day takes place in February of each year to raise awareness of a safer and more responsible use of online technology and mobile phones. This year, it is on 6th February. Please promote the day by talking to your child/ren during this weekend and over the next week about keeping themselves safe when online. In school time, we deal with many situations which occur at home regarding the inappropriate use of online technology. Although we continuously educate children in school about this, it is a joint responsibility and adults at home should oversee what their children are doing when online. Please support us in educating children about online safety. We really appreciate your support with this!
