Message from Mrs Mitcheson:

Happy New Year to you all - I hope you all had a lovely break.

Wow! - What a brilliant start to the term. Our attendance this week has been much better and the children have returned to school looking smart (some fab new haircuts!) and with great attitudes to learning. We really do scrub up well here at Broadwood!!

We are arranging lots of exciting projects this term which include working with the Theatre Royal and a local artist! Watch this space.....

We recognise as a school, we are much stronger when we are in collaboration with others.

As many of you know, Broadwood Primary School is part of the West End Schools' Trust which is now made up of 9 local schools; Lemington Riverside Primary school is now officially a member of our Trust.

Funding and many of our fantastic projects comes through the West Trust. Within the West Trust, there is a range of networking opportunities for staff and for older children as we recognise some children across the schools will attend the same high school.

Courses for parents are held across the West Trust throughout the year. If there is anything you feel would benefit the local community in regards to training, support for parents, please speak to Mrs Stewart or the school office.

Look at our notice board to see what is on offer as we will keep you informed of opportunities within the local community.
