Message from Mrs Mitcheson: Breakfast club is buzzing! If you would like your child to attend our free breakfast club, please drop them off between 8 – 8:10am.

Attendance is extremely important. When children have poor attendance, they fall behind in their learning and can then develop low self-confidence. Help us to grow independent, confident and resilient young children by bringing your child/ren to school every day. Children love to win the weekly class best attendance award!

E-Safety Keeping children safe online is so important to us here at Broadwood so we would like to take this opportunity to remind you that Tuesday 8th February 2022 is Safer Internet Day. Safer Internet Day is celebrated globally in February each year to promote the safe and positive use of digital technology for children and young people, and to inspire a national conversation about using technology responsibly, respectfully, critically, and creatively. It will be celebrated with the theme 'All fun and games?' and is all about creating a safer internet, whether that is whilst gaming and creating content, or interacting with their friends and peers. Why not continue the conversation with your child by talking about some of the social media apps they may have heard about be using the following link. <https://saferinternet.org.uk/guide-and-resource/social-media-guides>
