**Message from Mrs Mitcheson:** Thank you to those of you who completed our parent survey. Many parents mentioned how upsetting it is to stand at the school gates and listen to 'inappropriate' language being used by some parents. I appreciate this is happening beyond our school gates; however, there are lots of young children and adults who do not wish to hear this. **Please be considerate!**

Many children enjoy playing computer games at home but do you know what a modern games console is capable of?
