Message from Mrs Mitcheson:

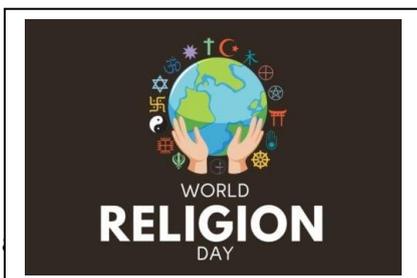

If I was to write a diary about the morning of Wednesday 17th January at Broadwood, this is what I would write:

I have just walked around school; everything was so quiet and calm and children were showing real enthusiasm for their learning. I noticed fantastic maths happening in the classrooms. There was so much amazing talk amongst the children about their learning. And There are only 5 children off school today!

What a great day at Broadwood. Let's work together to make everyday a great day at Broadwood!

World Religion Day

World Religion Day is celebrated every year, on the third Sunday in January. This year it will be celebrated on Sunday 21st of January. On Monday, we held an assembly in school to discuss what this day signifies.

At Broadwood, we teach children to respect each other's beliefs and Religions. As part of our curriculum, we explore a range of Religions and this is always done with respect and acceptance. We appreciate we are different but we definitely believe we are Team Broadwood.
