A message from Mrs Mitcheson:

I am disappointed that I have to address this matter; however, I must emphasise that I will not tolerate parents or carers speaking to staff, other parents, or children in an aggressive or disrespectful manner. Our school promotes respect at all times, and we expect all individuals on site to uphold this value. You must follow our complaints policy if you wish to raise a concern.

Outdoor Play and Learning

Please ensure your child is in the correct school uniform and has a warm coat, hat and gloves on each day. Children do play outside most days and it is often extremely cold at this time of year.

If you have any old, large toys, dressing up clothes etc, that we could use outdoors, we would kindly appreciate any donations. Playtimes certainly are a time for children to have fun with their friends; however, we also want it to be a time children develop a range of skills through high quality play and learning.
