Headteacher: Mrs Wendy Mitcheson

Dear Parents/Carers,

Firstly, I would like to say that I hope you are all keeping safe and well. We are missing all of the children and can't wait to have them in school with us once again.

As you know, we had planned to have all children in school at the start of term and then we faced the sudden announcement of a National Lockdown, which required us to then put remote learning in place for the children.

I can see many children participating in the tasks on Seesaw; which is fantastic! I have also spoken to parents who have told me they are trying their best to support their child/ren with their learning; this is all we ask! As a parent, I appreciate how difficult home schooling can be, however; it is an expectation that all children fully engage in school life.

From **Monday 25th January**, we will expect all children in **Years 3 and 4** to attend Zoom meetings daily at **9:15 a.m** where teachers will take a register and talk about the learning set for the day ahead. Children may be asked to attend further meetings throughout the day where the children will meet live with the teachers on Zoom to participate in discussions, activities, games etc.

From **Thursday 28th January**, **Years 5 and 6** will need to attend their zoom meetings daily at **9:30 a.m** for registration and this will enable teachers to talk about the day ahead. Children may be asked to attend further meetings throughout the day where the children will meet live with the teachers on Zoom to participate in discussions, activities, games etc.

From **Monday 1st February**, **Years 1 and 2** will need to attend their zoom meetings daily at **9:10 a.m** for registration and this will enable teachers to talk about the day ahead. Children may be asked to attend further meetings throughout the day where the children will meet live with the teachers on Zoom to participate in discussions, activities, games etc.

Dates for Early Years registration will follow.

It is extremely important children attend the registration meetings daily and participate in school tasks. We appreciate children need their own device so please contact school if you need additional devices and we will try our best to support with this. If you have children in different year groups, then just support one at a time to access registration. The zoom meetings in the morning will be live for approximately 15 minutes. If children do not attend, phone calls will be made, similar to what we would do if school was open.

If you need support accessing Zoom and Seesaw, please contact school.

We are looking forward to seeing all of the children daily.

Kind Regards

W.Mitcheson

Headteacher
