Message from Mrs Mitcheson:

Make Your Mark

Year 3 children certainly made their mark in the John Marley Centre this week. The children worked with a local artist Thom Heap and produced some wonderful art work representing the local community and their own individuality. Their work was exhibited in the John Marley Centre alongside the work of some other schools in our West End Schools Trust.

Lateness

An increasing number of children are arriving late to school in the mornings. This impacts on the education of the children and also the workload of the office staff.

Please arrive to school on time!
