**Covid 19** As you will be aware we have had a number of Covid cases over the last week. We continue to be supported by Public Health England.

Unless your child tests positive or is poorly, they should be in school. There is currently a small outbreak of Covid 19 in Year 2, therefore we will monitor the Year 2 situation on Monday and change to our contingency plan if necessary, which will mean keeping Year 2 in a bubble for a short while if need be.
