### Message from Mrs Mitcheson:

We are delighted to announce that we have once again been successful in our application for a Turing Grant, enabling us to take Year 6 to Barcelona next year. The children were informed of this exciting news today!

Residential trips provide invaluable opportunities for children's development, fostering essential life skills and allowing them to bond with their peers. We are extending residential experiences to further year groups, and your support would be greatly appreciated. We really do not want to leave any child within the year group behind.

A huge congratulations to our Year 5 debating team for their commendable effort at the Civic Centre this week. Although they did not 'bring home' the trophy, they are certainly winners in our eyes!
