Message from Mrs Mitcheson:

Year 4 had a very exciting trip to 'The Great North Museum: Hancock' this morning. They were very enthusiastic on their visit. We taught the children how to explore the exhibits for self-guided learning with three key questions. What can you see? What do you notice? What does it make you wonder? They were fascinated by the living planet exhibition and enjoyed the show in the planetarium. What a lovely way to finish the half term!

BARCELONA – we are very much looking forward to sharing our wonderful trip to Barcelona after the half term break. The children were all amazing and we had so much fun in the sun!

Early Years – We are currently putting plans in place to improve our Early years setting and make a larger space for the children.

Time Capsule Burial

Some Year 3 children attended a 'Time Capsule Burial' in Newcastle today. They wrote letters about life in 2025, which have now been buried. They will be dug up and read in 50 years, providing insight into our current era. The Evening Chronicle were present so we are hoping to be in the local paper this evening.
