Message from Mrs Mitcheson:

Children in Need Thank you so much for your generous donations for this fantastic cause. We will do the final count next week and let you know how much we raised in total.

Treehouse We have a wonderful after school club for working families or if you just need your child looking after for a couple of hours one evening after school. The children who attend absolutely love their time there and make lots of new friends across the school. The cost is £4 per evening, which includes refreshments. Please contact the school office for further information.

Boggle Hole A group of Year 4 and 5 children spent an incredible three days at Boggle Hole this week. Despite some rain, they embraced the outdoors and went on an adventurous hike through the beautiful, wooded areas. The rain actually added to the fun as the children jumped in puddles, creating endless laughter. They trekked to Robin Hood's Bay, where the children had a blast pretending to be smugglers, hiding sweets from the staff! They got crafty, designing and building lighthouses that could withstand any weather. Evenings were so much fun as they toasted marshmallows over the fire and had a fantastic Pirate Party one night; I even hear Mr MacMillan was showing the children his super dance moves. It really was an unforgettable experience!
