

Year 3 Newsletter

Ms Rayaz and myself would first of all like to wish you all a very Happy New Year and thank you for the lovely gifts we received at Christmas time. We hope you had a lovely festive time over the holidays.

Mr Carr and Ms Rayaz

The Learning Journey continues...

The children made such an amazing start to year 3 and we are sure they will settle straight back in after the Christmas holidays. We will be relaunching our homework pack on Seesaw now that we have returned. Each week there will be a short English or Maths piece as well as a history or science piece. There will also be a need to complete Reading plus, Timestable Rockstars and a weekly science assessment. Our library day will be Friday.

What the children will be learning...

The children will begin a new topic in History this term as we examine the Stone Age to Bronze Age period of our countries history. In English we will, therefore, read Stone Age Boy. Maths will see us begin to multiply and divide by 2 digit numbers before exploring measurement. Science will begin looking at light, both natural and man made. Computing lessons will explore digital media and Spanish will focus on the subject of Ancient Britains. PE will see year 3 learn the skills necessary for invasion games. This term will also see the chance to take part in an after school Cooking Club run by C.H.E.F.F. In PSHE we will be examining ways that we can keep safe as well as discussing the dangers of alcohol and cigarettes.

How can you help your child?

Read as much as possible - encourage the children to read anything: newspapers, comics, reading book, library books - **ANYTHING**. Make sure that children attend school and are on time. We did win the attendance cup a few times last term and we are greedy for more success. Join us on Seesaw. Homework, messages and examples of the children's work will be on there each week and it is so lovely to see what you are doing at home with your child too. Please make sure your child has a PE kit and brings it in on Thursdays.

Useful Information

Seesaw is your goto place for information about reading, safeguarding and other info. We will update it on events that are happening or things you need to know about.

If you have any worries or concerns, please speak to myself or Ms Rayaz.
