# NU FUTURES: FUNCTIONAL SKILLS COURSES IN MATHS AND ENGLISH

Our 12 week part time, NCFE accredited Functional Skills programmes (Level 1 and 2) are the flexible and accessible alternative to the GCSE route, recognised by all employers.

## **Maths:**

- Gain confidence in your use of numbers.
- Familiarise yourself with common measurements such as money, time, weight and capacity.
- Learn to construct graphs/charts and interpret statistical data.

## **English:**

- Take part in formal and informal discussions.
- Improve your reading skills.
- Develop your communication skills including how to share information, ideas and opinions in a formal style.

## **Benefits of the programme:**

- Access to a dedicated mentor.
- Personalised employability learning and support.
