Message from Mrs Mitcheson:

Outdoor Play and Learning

Children in Years 1- 6 have had a lovely week playing outdoors. We have opened the entire grounds up and children can choose where to play. Sorry if they come home a little muddy but they really are having a fab time outdoors! Risk taking is part of the learning process which may mean accidents happen; fingers crossed not too many!!!

If your child is feeling anxious or worried about the War in Ukraine, I have attached the following link which offers advice for parents/carers to help children cope during this time.

Thank you also for your very kind donations to help families in Ukraine. We will take them to the appropriate drop off centre and very soon your donations will be well received by the families in Ukraine.
