

Summer Term Plans – 2021

Literacy objectives

Children learn to read and understand simple sentence using their phonic knowledge to decode regular words and read them aloud accurately.

Children learn to write simple sentences which can be read by themselves and others.

Some words are spelt correctly and others are phonetically plausible.

Global Goal

Reduced inequalities

Maths Objectives

Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling, halving and sharing.

Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems.

Understanding the World

Children to learn about similarities and differences in the context of families, objects, places and living things.

They make observations of animals and plants and explain why some things occur, and talk about what they notice.

Children use technology purposefully.

Expressive Arts and Design

Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.

Represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories.

How do you know which is the right path to choose?

PSED

Start conversations, listen carefully and take account of what others say, ask appropriate questions of others.

Negotiate and solve problems in a friendly manner, noticing how others feel. Making the right choices.

Communication and Language

Listen attentively in a range of situations.

Listen to stories, accurately anticipating key events and respond to what they hear with relevant comments, questions or actions.

Give their attention to what others say and respond appropriately, while engaged in another activity

Use a pencil with control, trying to use the correct grip; forming letters correctly

Moving confidently in different ways and handling tools and equipment safely and carefully.

Making good choices to keep healthy and safe

Physical

You can help your child by supporting them on Seesaw.

Seesaw remains our platform for homework and remote learning.
